April 1, 2013

Dear Boston Heights Resident,

Earlier this year, the Village of Boston Heights received a planning grant from the Akron Metropolitan Area Transportation Study (AMATS). The planning study will primarily focus on developing a land use plan for the village that takes into account the Cuyahoga Valley National Park as well as the improved access to Route 8 from Hines Hill Road and Boston Mills Road. The purpose of the planning study will be to develop a sustainable vision for the area and improve connectivity throughout the Village of Boston Heights.

We want to be sure that all residents and stakeholders in the Village are informed about this planning process. On behalf of AMATS and the Village of Boston Heights, we invite you to participate in a public meeting taking place on April 17, 2013 at 7pm at the Clarion Inn and Conference Center, 6625 Dean Memorial Parkway. Please note that this meeting is open to everyone, so if you have any friends or neighbors that you think would be interested in attending, please extend this meeting invitation to them.

We would appreciate your thoughts on ways to improve the village. Please RSVP to Heather Davis Reidl at 330-375-2436 or [hreidl@akronohio.gov](mailto:hreidl@akronohio.gov). Please do not hesitate to contact us before the meeting in this regard. If you cannot attend the meeting but would like to provide feedback, please contact Ms. Reidl via email or phone with your thoughts.

We look forward to your participation.

Sincerely,
