CORRESPONDENCE

Mayor Goncy noted a letter of May 6th from Time-Warner Cable giving notice that certain cable TV channels will be converted from analog to digital format, including government and public access channels. NOTE: This means that those channels will require a cable converter box and will no longer be receivable directly by a TV coax input. The Mayor also noted receipt of a letter from Police Chief Heatwall commending Sgt. Lou Keller for a dog rescue at the recent fire at Spicy Lamb Farm in Peninsula. Sgt. Keller was on hand and recounted the incident for Council.

APPROVAL OF MINUTES:

Minutes of March 11, 2014 APPROVED Minutes of March 25, 2014 (Special Meeting) APPROVED

ORDINANCES

ORDINANCE 2014-2-9 (First Reading) ORDINANCE AUTHORIZING THE ISSUANCE OF A NOTE IN A PRINCIPAL AMOUNT NOT TO EXCEED \$2,000,000 AND DECLARING AN EMERGENCY

NOTE: This ordinance did not appear on the final agenda and was not read.

ORDINANCE 2014-4-10 (First Reading) ORDINANCE ESTABLISHING THE NUMBER OF ROAD DEPARTMENT ASSISTANTS AND DECLARING AN EMERGENCY

ADOPTED: ORD-2014-4-10

NOTE: In response to a question by Councilor Bob Bartko, Mayor Goncy explained that this would allow for the Road Superintendent, up to 2 full-time assistants, and up to 3 part-time seasonal assistants, plus temporary help for snow plowing. He states that the hires must be recommended by the Road Superintendent, approved by the Mayor, and brought to Council. (The text of the ordinance says nothing about Council approval, so that would be informational notification only, apparently.)

ORDINANCE 2014-4-11 (First Reading)

NO ACTION: FIRST READING ONLY ORDINANCE AUTHORIZING THE ISSUANCE AND SALE OF NOTES IN A MAXIMUM PRINCIPAL AMOUNT OF \$210,000 IN ANTICIPATION OF THE ISSUANCE OF BONDS. TO PAY THE COSTS OF IMPROVING THE WATER SYSTEM. INSTALLING WATER SERVICE CONNECTIONS AND NECESSARY APPURTENANCES THERETO AND DECLARING AN EMERGENCY.

NOTE: This was moved and seconded for adoption, purely to allow discussion, but the question was never called and the matter received only a first reading. Mssrs. Justin Markey (Attorney, Roetzel & Andress LPA) and Brian Cooper (Managing Director, ACI Financial Advisors, LLC) explained to Council the proposal for three (3) bond issues to pay for the three (3) components of the capital improvements plan associated with the Arhaus and Boston Hills development project. All three measures allow the Village to issue notes for payment of engineering work and infrastructure work. (Councilor Polyak noted that time is of the essense if the Village wanted to couple these monies with potential time-limited grant monies that are also in play, of \$400K or more.) Mr. Cooper explained that two components were in development: a Comprehensive Capital Plan, and a Financing Plan, with an eye to optimizing interest rates and cash flow. They expanded on the intricacies of Village borrowing through notes and bonds, including state quarantees and their limits (with voter approval, to \$7M, else to \$3.7M). The intention was to match the borrowing to future income tax receipts, specifically to that from the payroll levels pledged in the Arhaus CRA agreement. Mr. Cooper stated that his firm would be paid from part of the monies received from sales of the notes and bonds, possibly around \$50K but to be determined later.

In response to a question from Councilor Blakeney, Solicitor Marshal Pitchford stated that Council should act on these measures no later than the May Council meeting in order to ensure payment for the design work in the timeframe anticipated by the capital improvements plan. A Special Council meeting was set for 22 April 2014 to ensure that three readings would be possible if needed. Village Engineer Krock further explained that the Northwest Village water mains design must be completed by this Fall, principally to ensure that water brought down Olde Eight Road in a timely manner (for Arhaus, presumably). OPWC grants were to be applied for. Hines Hill Road would have to be reconstructed by 2015 per the Village's development agreement with the Boston Hills property owners. Road resurfacing would begin this year, through 2015 and 2016.

ORDINANCE 2014-4-12 (First Reading)

NO ACTION: FIRST READING ONLY ORDINANCE AUTHORIZING THE ISSUANCE AND SALE OF NOTES IN A MAXIMUM PRINCIPAL AMOUNT OF \$825,000 IN ANTICIPATION OF THE ISSUANCE OF BONDS. TO PAY THE COSTS OF RESURFACING AND OTHERWISE IMPROVING CERTAIN STREETS IN THE VILLAGE; AND DECLARING AN EMERGENCY.

ORDINANCE 2014-4-13 (First Reading)

NO ACTION: FIRST READING ONLY ORDINANCE AUTHORIZING THE ISSUANCE AND SALE OF NOTES IN A MAXIMUM PRINCIPAL AMOUNT OF \$250,000 IN ANTICIPATION OF THE ISSUANCE OF BONDS. TO PAY THE COSTS OF CONSTRUCTING, RECONSTRUCTING. WIDENING AND OTHERWISE IMPROVING HINES HILL ROAD AND RELOCATING SANITARY SEWER LINES IN CONNECTION THEREWITH AND DECLARING AN EMERGENCY.

RESOLUTIONS

RESOLUTION 2014-4-18 (First Reading)

ADOPTED: RES 2014--4-18

A RESOLUTION DECLARING IT NECESSARY TO RENEW THE TAX LEVY AT THE TAX RATE OF .50 MILL AND REQUESTING THE SUMMIT COUNTY FISCAL OFFICER TO CERTIFY THE TOTAL CURRENT TAX VALUATION OF THE VILLAGE AND THE DOLLAR AMOUNT OF REVENUE THAT WOULD BE GENERATED BY THIS RENEWAL LEVY, AND DECLARING AN EMERGENCY

NOTE: Councilor Fenn noted that this was the levy for capital equipment and maintenance of fire equipment and was 5 years. Solicitor Pitchford explained that this measure did not put the levy renewal on the ballot, but only determined the value of the levy as required by state law. Mr. Bartko asked whether this would raise taxes; the Solicitor replied that this was a renewal levy and would only continue the current tax at the current rate.

RESOLUTION 2014-4-19 (First Reading)

ADOPTED: RES 2014--4-19 Vote: 5-1 with Bartko NO and all others YES

RESOLUTION TO SECURE AND AUTHORIZING PAYMENT FOR PROPERTY AND CASUALTY INSURANCE FOR THE VILLAGE AND DECLARING AN EMERGENCY

NOTE: Mayor Goncy explained that there was a 1 May deadline for renewal of the Village's liability and general insurance (not employee medical). There were two proposals made, from McGowan Insurance (the Village's current agent) and Love Insurance (the Village's previous agent). In the Mayor's view, Love Insurance offered the better proposal, with better coverage and lower cost. Love Insurance also currently handles the Village's employee medical insurance, and the Fiscal Officer Klingenberg stated that they had given good customer service there.

Councilor Bartko stated that he had had an extensive discussion with the Village's current agent representative (Mae Fulkerson), and as a results of that conversation had a number of reservations about changing from McGowan to Love's offering. He relayed the agent's view that she did not know anything about the Village's consideration of changes to the insurance coverage. Fiscal Officer Betty Klingenberg disputed this, stating that she had sent relevant information via fax, but possibly after Mr. Bartko's conversation. (It was not clear what information was meant, since McGowan had apparently made a proposal at some point.) Mr. Bartko felt that the Love Insurance offering through the "Ohio Plan" system was inadequate because that is an "insurance pool" rather than a regulated insurance company. Ms. Klingenberg disputed this contention, and added that the cost was "\$1000 less" with the Love Insurance proposal. Mr. Bartko disputed that level of cost savings with the Love Insurance plan. Mr. Bartko was also concerned with some differences in coverage limits; Mayor Goncy replied that overall the Love Insurance coverage was actually better in areas of most concern to the Village, and that he was not entirely pleased with McGowan's customer service since a recent corporate reorganization. Mr. Bartko also expressed a concern that if the Village switched coverage back and forth between vendors its claim history would have to "start over" at some point; Ms. Klingenberg disputed this, noting that both plans looked back into the 1990s.

There was some brief discussion on holding off on this matter pending further investigation of Mr. Bartko's concerns, but ultimately Council moved ahead in view of the 1 May deadline and voted 5-1 to accept the Love Insurance proposal, with Mr. Bartko objecting..

RESOLUTION 2014-4-20 (First Reading)

RESOLUTION APPROVING THE PERMANENT ANNUAL APPROPRIATIONS FOR THE VILLAGE OF BOSTON HEIGHTS FOR THE YEAR 2014 AND DECLARING AN EMERGENCY

ADOPTED: RES 2014--4-20

NOTE: Fiscal Officer Klingenberg pointed out that these appropriations was retroactive to the statutory deadline of March 31st, and were made in the absence of the County's certificate of resources. She added that there would likely be amendments to the appropriations within 6 weeks or so.

RESOLUTION 2014-4-21 (First Reading)

RESOLUTION AUTHORIZING THE TERMINATION OF THE PAYCHEX FSA PLAN AND DECLARING AN EMERGENCY

ADOPTED: RES 2014--4-21

NOTE: Fiscal Officer Klingenberg had previously stated to Council that the Flexible Spending Plan scheme handled by Paychex, for the benefit of the Village's employees' health plan, was not working well and she would prefer to manage the FSA herself from Village Hall. It appears from these earlier comments that she will directly reimburse qualified health care expenditures.

RESOLUTION 2014-4-22 (First Reading)

NO ACTION: FIRST READING ONLY RESOLUTION AUTHORIZING THE VILLAGE TO ENTER AN AGREEMENT WITH GREAT LAKES RECYCLING, INC. REGARDING THE COLLECTION OF SOFT RECYCLABLES, AUTHORIZING PAYMENT AND DECLARING AN EMERGENCY (Exhibit A to be available later)

NOTE: This is for textile (clothing) recycling in the Village. Solicitor Pitchford stated that he needed to further review the proposed agreement, so no action was taken on this item.

It would presumably also serve any future commercial (retail) development in the east end of the former Boston Hills golf course property.

They must be numbered as determined by the Fiscal Officer in a manner to distinguish each Water Improvement Note from any other Water Improvement Note.  - (b) <u>Authentication.</u> No Water Improvement Note will be valid or obligatory for any purpose or will be entitled to any security or benefit under the Note Proceedings unless and until the certificate of authentication printed on the note certificate is signed by the Registrar as authenticating agent. Authentication by the Registrar will be conclusive evidence that the Water Improvement Note so authenticated has been duly issued, signed, and delivered under, and is entitled to the security and benefit of, the Note Proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Registrar or by any other person acting as an agent of the Registrar and approved by the Fiscal Officer on behalf of the Village. The same person need not sign the certificate of authentication on all of the Water Improvement Notes.
 - <u>Section 7.</u> Registration, Transfer, and Exchange; Book-Entry System.
 - (a) <u>Registrar.</u> So long as any of the Water Improvement Notes remain outstanding, the Village must cause the Registrar to maintain the Register. The person in whose name a Water Improvement Note is registered on the Register will be regarded as the absolute owner of that Water Improvement Note for all purposes of the Note Proceedings. Payment of the Debt Service Charges on any Water Improvement Note will be made only to, or on the order of, that person.
 - (b) <u>Transfer and Exchange.</u> Any Water Improvement Note may be transferred or exchanged for Water Improvement Notes of any Authorized Denomination, upon presentation and surrender of that Water Improvement Note at the

office of the Registrar, together with a request for exchange or an assignment signed by the Holder or by a person legally empowered to do so on behalf of the Holder, in a form satisfactory to the Registrar. The Registrar must complete, authenticate, and deliver new Water Improvement Notes, upon an exchange, to the Holder or its agent or, upon a transfer, to the new Holder of the transferred Water Improvement Notes or its agent, in Authorized Denominations equal in the aggregate to the principal amount of the Water Improvement Notes surrendered. Every exchange or transfer of the Water Improvement Notes will be made without charge to the Holders, except that the Village and the Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required for the exchange or transfer.

If manual signatures on behalf of the Village are required, the Registrar will undertake the exchange or transfer of a Water Improvement Note only after the new Water Improvement Note is signed by the authorized officers of the Village. In all cases of Water Improvement Notes exchanged or transferred, the Village will sign, and the Registrar will authenticate and deliver Water Improvement Notes in accordance with the provisions of the Note Proceedings. The exchange or transfer will be without charge to the Holder, except that the Village and the Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The Village or the Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Water Improvement Notes issued and authenticated upon any exchange or transfer will be valid obligations of the Village, evidencing the same debt, and entitled to the same security and benefit under the Note Proceedings as the Water Improvement Notes surrendered upon that exchange or transfer. Neither the Village nor the Registrar will be required, to make any exchange or transfer of any Water Improvement Note selected for redemption, in whole or in part.

(c) <u>Book-Entry System.</u> Unless otherwise provided in the Certificate of Award, the Water Improvement Notes must be originally issued in book-entry form to a Depository, initially The Depository Trust Company, for use in a book-entry system.

The Village and the Registrar must recognize and treat the Depository as the owner of the Water Improvement Notes for all purposes, including payment of Debt Service Charges, redemption and other notices, and enforcement of remedies.

If any Depository determines not to continue to act as a Depository for the Water Improvement Notes for use in a book-entry system or if the Village determines to discontinue the book-entry system, the Fiscal Officer may attempt to establish a securities depository relationship with another qualified Depository. If the Fiscal Officer does not do so, the Fiscal Officer must direct the Registrar to make provision for notification of the book-entry interest owners by the Depository and to make any other arrangements necessary for the withdrawal of the Water Improvement Notes from the book-entry system, including the authentication and delivery of replacement Water Improvement Note certificates.

Section 8. Sale of the Water Improvement Notes.

- (a) Private Sale. This Council authorizes and directs the Fiscal Officer to sell the Water Improvement Notes in a private sale to the Original Purchaser. The Fiscal Officer, acting in the name and on behalf of the Village, may rely upon that legal advice in determining whether a filing should be made.
 - Amendments. The Village reserves the right to amend the Continuing Disclosure Agreement, and to obtain the waiver of noncompliance with any provision of the Continuing Disclosure Agreement, as may be necessary or appropriate to achieve its compliance with any applicable federal securities law or rule, to cure any ambiguity, inconsistency, or formal defect or omission, and to address any change in circumstances arising from a change in legal requirements, change in law, or change in the identity, nature, or status of the Village, or type of business conducted by the Village. Any amendment or waiver will not be effective unless the Continuing Disclosure Agreement (as amended or taking into account that waiver) would have complied with the requirements of the SEC Rule at the time of the primary offering of the Water Improvement Notes, after taking into account any applicable amendments to or official interpretations of the SEC Rule, as well as any change in circumstances, and until the Village has received either (A) a written opinion of bond counsel or other qualified independent special counsel selected by the Village that the amendment or waiver would not materially impair the interests of Holders or beneficial owners of book-entry interests in the Water Improvement Notes, or (B) the written consent to the amendment or waiver by the Holders of at least a majority of the principal amount of the Water Improvement Notes then outstanding.

- *Enforcement.* The Continuing Disclosure Agreement will be solely (4) for the benefit of the Holders of, and beneficial owners of book-entry interests in, the Water Improvement Notes. The tax must be and is ordered to be computed, certified, levied, and extended upon the tax list and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are computed, certified, levied, extended, and collected. - (d) The Standby Note Purchase Agreement is hereby authorized in the form presented to the Council with such changes not materially adverse to the Village as may be approved by the officers of the Village executing the Standby Note Purchase Agreement. The Village acknowledges the agreement of the Treasurer in the Standby Note Purchase Agreement that, in the event the Village is unable to repay the principal amount and accrued and unpaid interest of the Water Improvement Notes at their maturity, whether through its own funds or through the issuance of other obligations of the Village, the Treasurer agrees (a) to purchase the Water Improvement Notes from the Holders or beneficial owners thereof upon their presentation to the Treasurer for such purchase at a price of par plus accrued interest to maturity or (b) to purchase renewal notes of the Village in a principal amount not greater than the principal amount of the Notes plus interest due at maturity, with such renewal notes bearing interest at a rate equal to 1-year MMD AAA plus 400 basis points, maturing not more than one year after the date of their issuance, and being prepayable at any time with 30 days'

- (d) <u>Interest.</u> The Street Improvement Notes will bear interest from their date at a rate not to exceed 8% per annum, payable at maturity. Interest will be calculated on the basis of a 360-day year consisting of twelve 30-day months. - (e) The rate of interest on the Street Improvement Notes must be determined by the Fiscal Officer in the Certificate of Award.
- (f) <u>Redemption before Stated Maturity.</u> The Street Improvement Notes will not be subject to redemption before maturity, unless otherwise determined by the Fiscal

Officer in the Certificate of Award. The redemption price may be any percentage of the principal amount redeemed, not exceeding 110%.

- (g) Form, Numbering, and Denomination. The Street Improvement Notes must be issued in fully registered form. They must be issued in book-entry form unless the Fiscal Officer determines in the Certificate of Award that it would not be in the best interest of the Village for the Street Improvement Notes to be in book-entry form. They must be issued in Authorized Denominations and in the numbers and amounts as requested by the Original Purchaser and approved by the Fiscal Officer. They must be numbered as determined by the Fiscal Officer in a manner to distinguish each Street Improvement Note from any other Street Improvement Note. They must express on their faces the purpose for which they are issued and that they are issued in accordance with this ordinance. The Street Improvement Notes will be designated "Street Improvement Bond Anticipation Notes, Series 2014," unless otherwise designated in the Certificate of Award.
- Section 5. Payment. The Debt Service Charges on the Street Improvement Notes will be payable when due in lawful money of the United States of America, without deduction for the services of the Paying Agent, upon presentation and surrender of the Street Improvement Notes at the office of the Paying Agent.

Section 6. Signing and Authentication.

- (a) <u>Signing.</u> The Street Improvement Notes must be signed on behalf of the Village by the Mayor and the Fiscal Officer. Both signatures on the Street Improvement Notes may be facsimiles.
- (b) <u>Authentication.</u> No Street Improvement Note will be valid or obligatory for any purpose or will be entitled to any security or benefit under the Note Proceedings unless and until the certificate of authentication printed on the note certificate is signed by the Registrar as authenticating agent. Authentication by the Registrar will be conclusive evidence that the Street Improvement Note so authenticated has been duly issued, signed, and delivered under, and is entitled to the security and benefit of, the Note Proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Registrar or by any other person acting as an agent of the Registrar and approved by the Fiscal Officer on behalf of the Village. The same person need not sign the certificate of authentication on all of the Street Improvement Notes.

<u>Section 7.</u> Registration, Transfer, and Exchange; Book-Entry System.

(a) <u>Registrar.</u> So long as any of the Street Improvement Notes remain outstanding, the Village must cause the Registrar to maintain the Register. The person in whose name a Street Improvement Note is registered on the Register will be regarded as the absolute owner of that Street Improvement Note for all purposes of the Note

Proceedings. Payment of the Debt Service Charges on any Street Improvement Note will be made only to, or on the order of, that person.

(b) <u>Transfer and Exchange.</u> Any Street Improvement Note may be transferred or exchanged for Street Improvement Notes of any Authorized Denomination, upon presentation and surrender of that Street Improvement Note at the office of the Registrar, together with a request for exchange or an assignment signed by the Holder or by a person legally empowered to do so on behalf of the Holder, in a form satisfactory to the Registrar. The Registrar must complete, authenticate, and deliver new Street Improvement Notes, upon an exchange, to the Holder or its agent or, upon a transfer, to the new Holder of the transferred Street Improvement Notes or its agent, in Authorized Denominations equal in the aggregate to the principal amount of the Street Improvement Notes surrendered. Every exchange or transfer of the Street Improvement Notes will be made without charge to the Holders, except that the Village and the Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required for the exchange or transfer.

If manual signatures on behalf of the Village are required, the Registrar will undertake the exchange or transfer of a Street Improvement Note only after the new Street Improvement Note is signed by the authorized officers of the Village. In all cases of Street Improvement Notes exchanged or transferred, the Village will sign, and the Registrar will authenticate and deliver Street Improvement Notes in accordance with the provisions of the Note Proceedings. The exchange or transfer will be without charge to the Holder, except that the Village and the Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The Village or the Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Street Improvement Notes issued and authenticated upon any exchange or transfer will be valid obligations of the Village, evidencing the same debt, and entitled to the same security and benefit under the Note Proceedings as the Street Improvement Notes surrendered upon that exchange or transfer. Neither the Village nor the Registrar will be required to make any exchange or transfer of any Street Improvement Note selected for redemption, in whole or in part.

(c) <u>Book-Entry System.</u> Unless otherwise provided in the Certificate of Award, the Street Improvement Notes must be originally issued in book-entry form to a Depository, initially The Depository Trust Company, for use in a book-entry system.

The Village and the Registrar must recognize and treat the Depository as the owner of the Street Improvement Notes for all purposes, including payment of Debt Service Charges, redemption and other notices, and enforcement of remedies.

If any Depository determines not to continue to act as a Depository for the Street Improvement Notes for use in a book-entry system or if the Village determines to discontinue the book-entry system, the Fiscal Officer may attempt to establish a securities depository relationship with another qualified Depository. If the Fiscal Officer does not do so, the Fiscal Officer must direct the Registrar to make provision for notification of

the book-entry interest owners by the Depository and to make any other arrangements necessary for the withdrawal of the Street Improvement Notes from the book-entry system, including the authentication and delivery of replacement Street Improvement Note certificates.

The purchase price of the Street Improvement Notes must not be less than 97% of the aggregate principal amount of the Street Improvement Notes, plus any interest accrued on the Street Improvement Notes from their date to the Closing Date. The Fiscal Officer may either sell the Street Improvement Notes to an investment banker, acting as underwriter, or to a financial institution or other entity or person in a private placement. The Fiscal Officer may enter into a Purchase Agreement with the Original Purchaser in that private sale, or may sell the Street Improvement Notes without a Purchase Agreement. The Fiscal Officer may sell the Street Improvement Notes at the same time, in the same manner, and in the same offering with other securities of the Village, whether or not those other securities have been consolidated with the Street Improvement Notes.
- (b) <u>Consolidation.</u> If the Fiscal Officer determines it to be in the best interest of the Village, she may combine the Street Improvement Notes with one or more other general obligation bond anticipation notes of the Village, payable from taxes subject to the Ten-Mill Limitation.
- (c) <u>Certificate of Award.</u> The Fiscal Officer must deliver a Certificate of Award to the Original Purchaser in connection with the sale of the Street Improvement Notes. The Fiscal Officer must state the following in the Certificate of Award: the principal amount of the Street Improvement Notes; the interest rate on the Street Improvement Notes; the purchase price for the Street Improvement Notes; the designated Registrar and Paying Agent; the Original Purchaser; and any other terms required by this ordinance. Any amendment or waiver will not be effective unless the Continuing Disclosure Agreement (as amended or taking into account that waiver) would have complied with the requirements of the SEC Rule at the time of the primary offering of the Street Improvement Notes, after taking into account any applicable amendments to or official interpretations of the SEC Rule, as well as any change in circumstances, and until the Village has received either (A) a written opinion of bond counsel or other qualified independent special counsel selected by the Village that the amendment or waiver would not

materially impair the interests of Holders or beneficial owners of book-entry interests in the Street Improvement Notes, or (B) the written consent to the amendment or waiver by the Holders of at least a majority of the principal amount of the Street Improvement Notes then outstanding.

- **Enforcement.** The Continuing Disclosure Agreement will be solely for the benefit of the Holders of, and beneficial owners of book-entry interests in, the Street Improvement Notes.
