

## **Roads Committee Meeting**

### **Boston Heights Town Hall**

November 17, 2014 5:00PM

Attendees: Mayor Goncy, Engineer Krock, Councilmen Bartko & Fenn

#### 1. Road superintendent Report- Given by Mayor Goncy

Leaf Pickup almost completed -ends Dec 1

450 cubic yards of leaves picked up to date

Dead trees removed from Park & added gravel pull offs on roadway

Backhoe repair has been delayed until Spring- unit is needed to load salt into trucks

#### 2. Engineer Report

All paving projects have been completed for the year

Storm sewer work and road patching almost completed

Akron-Cleveland tunnel is ready for winter weather, will complete in Spring

#### 3. Other Issues

There were some minor problems in some areas with the patching fabric installation, but this didn't disrupt the paving schedule

Ronald Fenn, Chairman
